

Tamana City Visit

The new Tamana Mayor, Takahiro Kurahara and group of Tamana delegates and councilmen and women, along with Manami Murakami (interpreter and festival helper), visited Clarinda in October, 2018. During their visit, they toured businesses around town, Clarinda Schools, Clarinda Regional Health Center, Lied Library, a hog farm, dined at our restaurants, and toured the Glenn Miller Birthplace & Museum. Marvin was an excellent tour guide for their visit.
